

FRESH, DELIVERED

Reliable And Secure Temperature-Controlled Shipping FRESH, DELIVERED

## **Our Assets, your Reputation**

Our modern fleet of temperature-controlled trucks and reliable drivers always ensure that your goods safely arrive at their destination, ontime.

#### **Personalized Support for you**

Our team of dispatchers are always ready to handle all your needs, whether you're moving cross-border or domestic, we are with you 24 hours a day and 365 days a year.

#### Innovative Technology

We find ways to integrate technology into our workflow ensuring better communication between our team and shippers. With our fleet management system, we can always provide real-time access to your shipment's status, obtain realtime information and increase efficiencies in your supply chain.

#### **Experienced Drivers**

Our drivers are certified, reliable, experienced and ready to take on any challenge that comes their way.

Our drivers seamlessly move hundreds of temperaturesensitive loads everyday throughout North America.

#### **Set to Your Temperature Control Needs**

A slight change in temperature can impact the quality and safety of your shipment. Our trailers use wireless temperature monitoring and data recorders to ensure each shipment is in optimal condition upon delivery.

#### **Preserve the Quality of Your Freight**

Get your temperature-controlled FTL and LTL shipments to their destination on time and at the right temperature, ensuring the longest shelf life for your products and efficiency in your supply chain.

# **TEMPERATURE-CONTROL**

Maintain the Integrity of your Temperature-Controlled Products

## **ENERGY FRESH –** Full Truck Load

## **Optimize your FTL Shipment**

Our team of freight experts ensure you maximize your truckload capacity with our modern 53' temperature-controlled trailers while simplifying the shipment process by relaying information back to you.

#### Safety Comes First

With an innovative tracking system, real-time communication with our support staff, and solid security, you'll have total shipment visibility while your freight is in motion, giving you the utmost confidence that your fresh, frozen and temp-sensitive goods will arrive safely.

## **Expedited FTL**

When time is of the essence, our expedited single or team service gets your freight to its destination without making unnecessary stops and ensuring ontime delivery.

## Maximize your Truckload Capacity.

# LESS THAN TRUCKLOAD

Small Shipments, Flexible Solutions

## ACCOUNT-SPECIFIC PRICING

Every LTL shipment is different. We factor in the weight, dimension, density, distance and commodity to ensure you get the best rate for your portion of trailer space.

## MONITOR AND TRACK YOUR GOODS

Equipped with the latest technology, our offering enables you to measure capacity, get real-time information on the status of your shipment, driver activity, and location.

## FLEXIBLE STORAGE SOLUTIONS

From long-term, high-valued goods to short-term machine equipment, we offer flexible solutions that fit your needs, so you can save money as you grow.

## **DIGITIZE YOUR GOODS**

 $\mathbb{W}$ 

With our reliable warehouse management system, you'll be able to manage your freight in real-time and streamline communication through our EDI system.

## **KEEP YOUR FREIGHT SECURED**

As a C-TPAT certified company, our warehouse is equipped with the latest alarm system and HD video surveillance cameras ensuring inventory is always protected.

# WAREHOUSE

## The Space You Need With Solutions That Work

# **EXPEDITED** Fast Track Your Shipments

## **Expedited FTL**

Every minute matters, so when time is of the essence, our expedited single or team service gets your freight to its destination without making unnecessary stops and ensuring on-time delivery.
